## **Submission Guidelines**

We solicit submission of original work, not previously published or submitted for publication elsewhere.

Authors are invited to submit full (8-16 pages) papers via EasyChair submission page at <https://easychair.org/conferences/?conf=cte20190> by October 25, 2019. Papers must break new ground and provide complete and substantial support for the reported results and conclusions. Successful submissions typically represent a major advance for the field of ICT in to any of the areas listed as the topics of interest.

In case you have never worked with the EasyChair system before, and therefore do not have an EasyChair account please create it by clicking "create an account" link at the login form. Please follow simple instructions for creating your account, then log in to the EasyChair. You will be offered to enter the CTE 2019 area as an author. At the New Submission page of the CTE 2019, please fill in the forms as requested by the instructions:

1. Please fill in the information about all the authors of your submission. Please be reminded that at least one author should be indicated as a "corresponding author" by checking the box in the bottom of the corresponding form. If your paper has more than three authors, you may add them by clicking "Click here to add more authors" link below the author forms.
2. Please fill in the Title and Abstract form for your submission.
3. Please enter the list of the key words that you have chosen yourself for your contribution. Each key word should be entered in a separate line.
4. Finally, please upload your submission file (paper).
